

To utilise Google Home with your Mezzo you must link your Mezzo Account to your Google Home Account. For this functionality to work your Mezzo must be active on the Mezzo cloud and have internet connectivity. Only one Mezzo Account and one primary Mezzo and Google Home account can be linked currently.

1. Open the Google Home App

2. Click on the + Icon to add an item to your account

## 3. Choose to set up a device

4. Choose "Works with Google"

7. You can now control your Mezzo devices via Google Home. You can trigger devices natively.

"Hey Google Turn on Lights" "Hey Google Trigger Scene...."

Here is a list of currently used phrases you can try.

## Troubleshooting

From time to time you may experience an issue with your Mezzo/Google Account link, this can be due to any number of reasons but in most cases you can rectify an issue by relinking your account.

1. Open the Google Home App

2. Click on the + Icon to add an item to your account

3. Choose to set up a device

4. Choose "Works with Google"
