Once you've set up your Google Home to link to Mezzo (if you haven't already done so, follow the steps in this post), here are some phrases you can use:

"OK Google"

- Turn <Device> On/Off
  eg. "Turn Kettle On" or "Turn Kitchen on"

- Dim your Lights
  Set <Device> to <Brightness>%
  eg. "Set my Bedside lamp to 50%" or "Set my kitchen lights to 80%"

- Change Lights Colours
  Set <Device> to <Colour> Click to see what colours Google Understands
  eg. "Set my LED Strip to Red" or "Set my RGB Bulb to Pink"

- Activate a Scene
  Activate <Scene Name>
  eg. "Activate Party Mode" or "Activate Movie Mode"

- Trigger an Alarm
  Turn On <Alarm Type> (Medical, Smoke, Panic, Duress)
  eg. "Turn On Smoke Alarm" or "Turn on Panic Alarm"
